Division Overview

The Student Engagement & Support Division provides a broad range of supports to SWTAFE students, the community, trainees and apprentices. The Division incorporates the Skills and Jobs Centre and all of the support services available within South West Central, SWTAFE's central student support centre, and at other campuses.

The Skills & Jobs Centre & South West Central both front facing service delivery points, for students, trainees and community clients, seeking information, advice and access to a range of services and student supports. Both service points are an interface with the public and have a role elevating the reputation of SWTAFE as the front face, and oftentimes first impression, of SWTAFE.

The Student Engagement & Support Division consolidates the delivery of services to ensure a shared vision and overarching high levels of support across all front facing services within a cohesive structure, ensuring co-ordination across functions, processes and spaces.
