Division Overview

The Division of Health and Community Services is responsible for the delivery of Health, including Diploma of Nursing and Community Services courses including; Community Services, Individual Support and Disability programs across all the SWTAFE campuses. It also offers a range of short courses to the community.

The Division has staff based at Warrnambool, Portland, Hamilton and Colac but may conduct programs in other regions of Victoria, including Stawell. The Division utilises a variety of delivery modes that provide for effective and sustainable programs that includes: on-campus, Smart Classroom (video conferencing), on-line learning, flexible delivery, workplace based delivery, recognition of prior learning (RPL), commercial and other fee for service work.

Position Overview (Your Opportunity)

South West TAFE delivers training and assessment across all campuses for courses that are entry level qualifications for those people wanting to work in a community setting, residential services or in community-based programs. Your experience and knowledge will be fully utilised in training future support workers to provide person-centred care to a very high standard.

TAFE teachers are accountable for the delivery of quality education, training and fee for service programs in accordance with the vocational education and training standards detailed in the Australian Quality Training Framework (AQTF) 2007. This position encompasses all facets of the learning process from course enquiry and advice to assessing and determining the training requirements of Institute clients. The work requires management of the learning process for students using a variety of TAFE teaching strategies such as recognition of prior learning, on-line learning support, workplace learning, delivery and assessment as well as traditional classroom delivery.

This position provides high-quality training services on behalf of the Community Services department. The role requires an innovator who can effectively respond to the training demands of Institute clients, who is able to work in a variety of environments and with different teaching and learning modes. The Teacher is also responsible for developing resources and assessment tools to support this delivery. Also key is the ability to develop and maintain relationships with key local and regional industry and government bodies.

TAFE teachers are expected to work effectively as members of a team and to be involved in course and program coordination activities which support the effective operation of the teaching centre and the achievement of learning outcomes for students. To effectively support the centre, this position may be required to coordinate workplace placements and teach in other programs delivered by the department, including fee for service and industry based training. Any additional teaching requirements will depend on qualifications and expertise.
