LOCATIONS	Warrnambool
STUDY MODE	Full-time, On Campus
Length	15 weeks
Commencement	March, July
Timetable	Three days per week

Course Overview

This section gives you an introduction to what you will be learning in this course, plus course outcomes, career opportunities, and student support.

Introduction

Wanting to gain some base-level mechanic skills you can build on? This course will allow you to test the waters to determine whether you are suited to being a mechanic.

Our pre-apprenticeship program will provide you with general knowledge, mechanical skills and hands-on workshop experience in basic automotive functions and vehicle systems. This is a great starting point to a career in any mechanic field. Knowledge of this nature is never wasted.

What will I Learn?

During this course will gain knowledge and experience in basic automotive industry procedures, mechanical skills and hands-on workshop experience.

You will learn to identify and inspect mechanical and electrical components and systems of light vehicles, heavy vehicles, outdoor power equipment, bicycles, marine craft and motorcycles. You will also cover the skills and knowledge required to perform minor maintenance and servicing of motor vehicles. The range of technical skills and knowledge is limited.

Course Outcomes and Career Opportunities

Upon completion of this course you will have the basic skills and knowledge to assist you in gaining an [automotive apprenticeship](#).

Pathways

This course provides a pathway to further study at South West TAFE. Credits in some units from the Certificate II in Automotive Vocational Preparation can be used towards an [automotive apprenticeship](#) in the [Certificate III in Light Vehicle Mechanical Technology](#).

Placement

There is no organised student work placement with this program, however students are encouraged to seek work placement to gain skills in the automotive industry.

Fees

This section gives you an overview of course fees, subsidies, and how they can be paid.

Course Fees

Here's an outline of fees and costs associated with your course.

Your fees each year can be made up of 3 different elements. Everyone has different circumstances that can affect what you pay and how much you pay. :

1. Tuition fees - charged as an hourly rate that varies from course to course. A large portion of the tuition is subsidised by the Victorian Government for eligible students.
2. Resource and/or materials costs - covers the cost of materials and other incidentals. This fee will vary according to the course being undertaken.
3. Booklist items - such as textbooks, equipment and stationery recommended for your course

Tuition fees

There are 4 different rates of tuition fees. Only one will apply to you (depending on your eligibility and circumstances).

1. **Government Subsidised Fee** - you could be eligible for a government-subsidised rate under the Skills First funding depending on your age, educational history, and citizenship or residency status. If you are eligible, the government will contribute to the cost of your training.
[Find out more about subsidised training](#)
2. **Government Subsidised Concession Fee** - If you are eligible for a Skills First government-subsidised place and hold a current healthcare or pension card, that you can provide at enrolment, you may be eligible for the concession rate. Note, the concession rate is not applicable to Diploma level courses.
[Find out more about concession rates](#)
3. **If the course is a Free TAFE course or part of the Free TAFE Pathways Program** - Eligible students will not pay course tuition fees for the duration of their enrolment in this course, however, there may be some consumable/material fees for the course (find out more below). Any resource or material costs, or booklist items for this course are listed in the table below.
